Informe de Expediente Civil, Materia: Suspensión de Patria Potestad, No. De
Expediente: 07916-2018-0-1801-JR-FC-14

Resumen

El presente caso versa sobre una demanda de Suspensión de la Patria Potestad tramitada vía proceso único interpuesta por la madre del menor en contra el padre del menor (personas naturales), debido a la presunta omisión de asistencia alimentaria hacia el menor. La controversia radica en determinar si la suspensión de la Patria Potestad del demandado resulta favorable al Interés Superior del Niño, considerando que este principio debe garantizar la estabilidad y el bienestar del menor, pero sin que ello implique una afectación arbitraria al derecho del progenitor de ejercer su rol parental.
